PRODUCT QUALITY

1. A new 2001 catalog with over 50 new part numbers with more units being added every day. A pipe listing sheet and a universal catalytic converter program are also now available. Call today for your free catalog and information package.

2. We have the widest catalytic converter coverage in the industry – including new widely expanded domestic coverage.

3. Our converters are EXACT™ fit. No kits and no so-called direct fits that require cutting, sliding, clamping, or welding for installation.

4. Attention to detail. Direct fitting flanges and air tube connections make our product fit more like OEM than any other which results in less returns and a more satisfied installer.

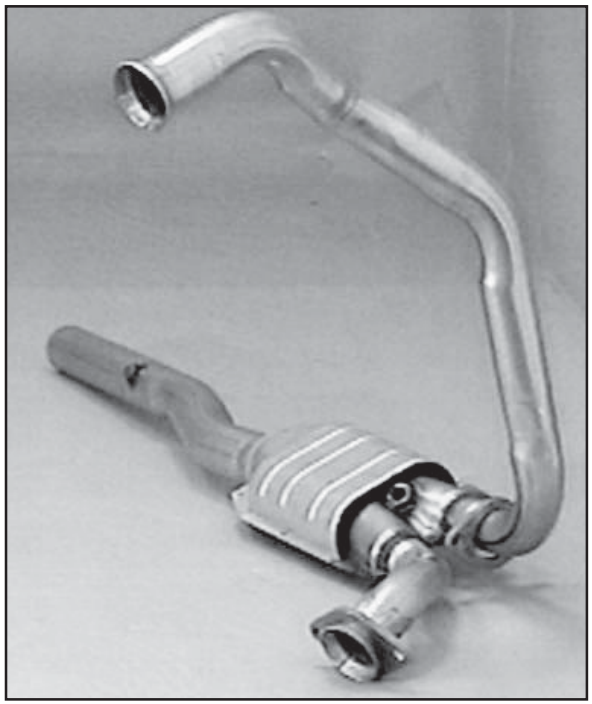

AVAILABILITY

1. Davico stocks many hard to find applications. Better overall availability on newer late model applications. You will have listings before your competition.
