

QUICK-STRUT® COMPLETE REPLACEMENT STRUT ASSEMBLY

COMPRESS

IMITATED, BUT NOT DUPLICATED!

Monroe Quick-Strut units include all the high quality components required for strut replacement in a single, fully-assembled unit.

- ✓ Precision-engineered for components featuring OE-style mount and coil spring design
- ✓ Premium strut technology specific for each application to optimize each vehicle's unique ride and handling characteristics
- ✓ Each assembly is 100% fit and ride tested on the corresponding application
- ✓ Helps restore factory ride height and original vehicle ride performance
- ✓ Available for popular passenger car, light truck and SUV applications
