

# UNMATCHED PRODUCT QUALITY

Innovative engineering, manufacturing technology and quality control ensure that Spectra Premium charge air coolers meet or exceed the performance of the original equipment they replace.

- Welded tube design to minimize pressure drop and maximizing heat dissipation in order to achieve maximum engine operating power
- Precisely engineered cast-aluminum tanks for a perfect fit
- Built with premium grade materials to ensure product quality and durability
- OE design to ensure exact fit, form and function for an easy installation
